You must not circulate this book in any other binding or cover
and you must impose this same condition on any acquirer.

The publisher has endeavoured to meet or exceed industry standards in
the manufacturing of this textbook. The spine and endpapers of this sewn book
have been reinforced for extra binding strength, and the cover material is a
premium polymer-reinforced material designed to provide long life and
withstand daily classroom use. The text pages have been printed on
Forest Stewardship Council certified paper, harvested from a responsibly
managed forest, which contains a minimum of 10% post-consumer waste.

Printed and bound in Canada.
